Important Announcement: The Xbox Ambassadors Pledge

Announcements Procrow Dec 16, 2019

As mentioned in the **Last 30 Days of Season 16,** we are introducing a new requirement to being an Xbox Ambassador: signing the Xbox Ambassadors Pledge.

Xbox Ambassadors positively transform gaming culture by sharing good vibes throughout the community. Signing the Pledge represents your willingness to be a community steward through inclusive action that creates welcoming spaces everyone can enjoy. We are making this a requirement to becoming an Xbox Ambassador to ensure that title continues to represent the mission to make gaming fun for everyone.

Here’s how it works

Effective January 6, 2020, all existing Xbox Ambassadors and those who wish to join, will be prompted to sign the Pledge to participate in the program.

- Be inclusive and welcoming of all gamers
- Promote a safe environment on Xbox that everyone can enjoy
- Celebrate the uniqueness of everyone in the gaming community
- Advocate for responsible and accessible gaming
- Positively represent the Xbox Ambassadors community online
- And, above all else: Make gaming fun for everyone

Choosing not to sign the Xbox Ambassadors Pledge will remove your access to participate in the program, meaning you will be unable to collect XP for activities. If you change your mind in the future, you will be prompted to sign the Xbox Ambassadors Pledge when you sign in and your seasonal and lifetime progression will resume where you left off.

Still have more questions about ***not signing*** the Pledge? Visit the Q&A section below, email us at xboxambs@microsoft.com, DM us @XboxAmbassadors on Twitter, or visit the ambassadors_help channel in Discord.

To ensure those who wish to sign the Pledge maintain their access to the program during the Season 16 to 17 changeover, you can sign early!

So, if you believe in what the Pledge stands for and would like to make a commitment to make gaming fun for everyone, you can get a head start on signing the Pledge now.
